Playground Program Traditional Drop-Off/In Sites: Entering Grades 1 - 6

Calling all kids! Do you love to be outside in the summer-time? Do you love to hang out with friends, play games and NEVER worry about boredom?! Then this is the program for you!! Our playground leaders love to have fun and engage participants through playground activities, new and old. Activities will include sports, games, arts and crafts, nature, and of course, Knock Hockey! We've got a little something for everyone! This program is designed to provide "drop-in" activities for children (if you are looking for childcare or day camp, we suggest the Cool School Summer Explorers program on page 20)

- At this playground program, attendance is neither mandatory nor enforced - leaders will supervise activities and encourage your child to participate, however, they will not prevent your child from leaving supervised activities if your child desires to do so.
- We ask all parents to discuss with their child when they may leave the playground and their behavior while attending playgrounds.
- We also ask parents to encourage their children to participate in supervised activities within the park to ensure maximum safety.
- Regular activities at each site will not be provided on Fridays. Special Friday Events will be offered at different locations throughout the summer. Transportation will not be provided.

Rain Policy for traditional playgrounds: If we see lightning, hear thunder, experience heavy rain/wind in the area, the park program will close and children will be asked to leave the area for a minimum of 30 minutes. If the storm continues, the park

will remain closed the rest of the day. Please call the information line (262-522-9356) in the event of inclement weather to obtain the most current information. You may want to discuss alternate options with your children in the event of severe weather.

Youth Soccer Leagues

Presented by Davies Orthodontics & Sprint

WPRF Soccer Leagues promote skill development, teamwork, good sportsmanship, equal participation & fun! All teams practice at local parks and volunteer coaches schedule practices on any day of the week. All league games will be played on Saturdays, September 9 - October 21. Games will begin at 9:00 am and might be scheduled into the afternoon depending on the number of teams. First rainouts will be made up on 10/28. All games are played at Mindiola Soccer Park.

What you need to know...

1. Teams are organized according to elementary school areas. Participants should indicate the grade level they are in during the 2017-2018 SCHOOL YEAR.
2. Players are registered and placed on teams on a first come, first serve basis by the elementary school indicated. If there are too many participants registering out of any school it will be the discretion of the coordinator to form the teams in the manner most fair and competitive for that division. Players registered after a school's team limit has been reached will be assigned to a team with players from the closest school. Our primary focus is to ensure quality organization of teams. Studies show that children adapt very well when given opportunities to meet new friends while participating in youth sports programs.
3. Registration for City of Waukesha residents will be processed as it is received through July 13.
4. Non-resident registration will be processed as it is received beginning April 11 - July 13.
5. Players missing the registration period will be placed on a waiting list. Waiting list priority is to give the child the opportunity to play. Team assignments are made to any team throughout the city with the greatest need of players.

6. Registration is accepted on-line, fax, mail-in, & drop-off (in person or drop-off box). Registration form is available on page 57.
7. Participants will be notified by coaches following the Soccer Coaches Meeting.
8. All teams are coached by volunteer coaches & assistants. Please indicate your interest in coaching on the registration form. All volunteer coaches will be subject to Background Checks prior to the season.
9. The size of team rosters varies per league and depends on number of enrollees per league. Please note that the 1st-2nd and the 3rd-4th grade levels will play small-sided soccer to help individuals get more touches on the ball. Kindergarten league plays Micro soccer, 6v6 (target team size: 12 players). 1st-2nd grade plays small sided, 7v7 (target team size: 14 players). 3rd-4th grade plays small sized 8v8 (target team size: 16 players). All other leagues play 11v11 (target team size: 15 players). *We may combine 5-6th grade boy/girl leagues due to low enrollment.
10. Please indicate participant's shirt size on registration form: **YS** = youth small (6-8) **YM** = youth medium (10-12), **YL** = youth large (14-16), **AS** = adult small, **AM** = adult medium, **AL** = adult large, **AXL** = adult extra large.
